

California Native Plant Society

Riverside-San Bernardino Chapter

Meeting Program:

Rare Plant Treasure Hunt: Go Eco-caching for Conservation! Amber Swanson, CNPS

Thursday, September 23, 2010
7 p.m.

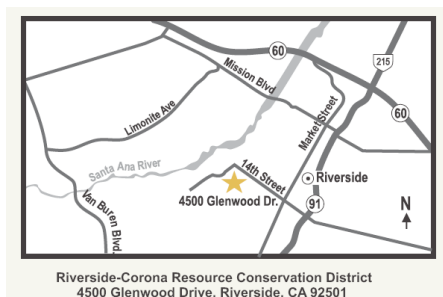

Riverside-Corona Resource Conservation District,
Building F Conference Room
4500 Glenwood Drive, Riverside
FREE PARKING

Hear about this fun and exciting new statewide CNPS program to conduct searches for new and historic rare plant populations. Hear about how volunteers – amateurs teamed with experienced botanists – are going out to survey for rare plants in areas with little history of botanical exploration, relocate historic rare plant occurrences, and/or update known occurrences of high-priority rare plants. And learn how you can get involved in the fun and exploration.

*Join the first Fall CNPS Rare Plant Treasure Hunt: Saturday, October 9th, 2010
Joshua Tree National Park, 9:30 am – 5 pm*

More info: <http://www.cnps.org/cnps/rareplants/treasurehunt/>

- *Native Plant Identification - Bring your mystery plants and we'll help you identify them*
 - *7 p.m. – Rare Plant Treasure Hunt Program*

The Riverside-Corona Resource Conservation District entrance is located at 4500 Glenwood Drive, near the intersection of 14th Street and Glenwood Drive, at the base of Mt. Rubidoux.
